

Strawberry Lemonade

SATIVA

The Strawberry Lemonade is an intense Sativa dominant strain that stays true to form. It has tangy aromas that taste, as the name suggests. If you're a fan of sweet strains that are more uplifting, you'll love this Hemp flower.

LEMON MERINGUE

SATIVA

This zesty Lemon Meringue strain gets its name from the citrus and nutty flavor profile. In addition to its rich flavor, Lemon Meringue is most known for its uplifting and euphoric traits.

RAINBOW RUNTZ

INDICA

If you're a fan of Indica strains, then Rainbow Runtz is perfect! This strain has notes of berries and a subtle taste of natural Hemp flavor. Other flavors include hints of pear, peach, and vanilla.

SPACE CANDY

HYBRID

One puff of Space Candy might be enough to send you into hyperdrive. This out of this world Hybrid strain includes notes of candied apples, sweet cherry, and subtle notes of Hemp flavor.

BLUE DREAM

SATIVA

The Blue Dream strain also goes by the name Azure Haze, and is most commonly known for its Sativa traits. It gets its name from the fact that its origins are unknown; therefore, it must have been a dream. You can expect a sweet berry-like flavor from this strain.
